LEARNING ACADEMY

The JourneyTools Learning Academy

The Journey Tools Learning Academy is an online learning platform that is focused on imparting information, sharing knowledge, and continuous learning.

It has been established to let anyone participate, anywhere, at any time. It creates continuity because new team members can join the program and catch up with learning as they join.

3 Modules – 22 sessions (online workshops)

The 3 modules -

- ⊗ Module 1 - Foundations
- ⊗ Module 2 – Relationships and communication
- ⊗ Module 3 – Leadership

Module 1 – Foundations

Foundations runs over 2-3 months and lays the foundation for relationships, communication and behaviour.

Module 1 - Foundations	
Contents	
Introduction to LEMON Leadership	2 hour online workshop
VQ Assessment	1 per person
Refreshers	1 x 7 weeks
Performance coaching	30 minutes per person
Online Chat-group	Google Hangouts
Group communication workshop	1 hour online

Module 2 – Relationships and Communication

This runs for 10 weeks and teaches the basics needed to be able to function in a team.

Module 2 - Relationships and Communication	
Contents	
10 x online sessions	1 hour per session
Refreshers	2 x 7 weeks
Performance coaching	10 hours per team
Monthly catch up	30 minutes per month
Monthly Q&A	1 hour per month

Module 3 – Leadership

Leadership runs over 10 weeks and teaches the key elements needed to be an effective leader.

Module 3 - Leadership	
Contents	
10 x online sessions	1 hour per session
Performance coaching	10 hours

Rollout

All of the Modules are done in conjunction with coaching.

Module 1 runs 11 times per year.

Modules 2 and 3 repeat twice a year. This gives candidates the opportunity to book on lessons when they need to.
